

Happy Anniversary Nigeria

Hearty congratulations, Nigeria, on her **62nd Independence Anniversary**. There have been many notable strides.

The massive growth in Local Content and enactment of the Petroleum Industry Act (PIA), innovations championed by **President Muhammadu Buhari**, stand out. These momentous achievements, among many others, will drive growth in the oil and gas industry and Nigerians' well-being now and in the future.

Long live the Federal Republic of Nigeria.

Signed
Engr. Simbi Kesiye Wabote, FNSE, FIPS
Executive Secretary
